# Working together in the fight against human smuggling!

---

Help save lives.

Police

Smugglers are increasingly using dinghies to ferry migrants to the UK.

**In 2022, 80.000 migrants or 2.220 boats** tried to reach the UK.

This risky method of transport costs lives.

Women, children and babies are sent out to sea by the smugglers using threats, coercion and physical violence.

## WORKING TOGETHER IN THE FIGHT AGAINST HUMAN SMUGGLING!

- Warehouses full of boats, life jackets, motorcycles
- Vehicles (with foreign license plates) packed with boats, life jackets, motorcycles
- Overloaded van/minibus with large group of people moving toward coast
- Hidden/abandoned boats on the coast
- Large groups of people (including women and children) going out to sea in a motorised boat

**CALL 112 IN CASE OF SUSPICIOUS CIRCUMSTANCES.**
